

Dear students and parents,

I am so excited to begin the new school year. I look forward to challenging your child and advancing his/her education. If you are unable to purchase all the supplies at once, please don't worry, just make sure your child has pencil and paper on the first day.

I cannot wait for the year to begin! I look forward to the exciting adventure which awaits us. If you have any questions, please feel free to call me, 242-3863.

Thanks,
Mrs. Christina
