Our last game is 1/21/16 at Lobelville - this is an away game. If your child will not be travelling to the "AWAY" games Ange Koeppen will need the Red/White uniform returned.

If you choose to send the uniform into school. Please place it inside a grocery bag with a card with your name and cell number/email. Ange will text/email when she receives the uniform. Please understand that we re-use these uniforms each year to keep the cost of the program at a minimum to all families. The uniform sets run about \$60-\$70.

All boys on the 4-6 Elementary team have a Red/Yellow uniform that they will keep as the games do not begin until the end of the month. Please make sure to return the correct uniform.

Alone and Scared

Imagine you had just been taken from your home, your family, and your pets. You are put in the back of a police car and headed for the unknown. Your parents are being taken to jail or the hospital. You have nothing. You are alone. No warm hugs to console you, no teddy bear to hang on to, nothing.

You might be headed for a police station, a social workers office, or maybe even a foster home. At any of these places you would be scared and feel all alone.

it's a terrifying situation and you are only four years old.

When these children are removed from their home, they travel with trash bags in hand...if they have anything at all.

This month the preschool class has chosen to prepare "Comfort Bags" to be given to the local Police Department to be used when children are placed in these situations.

I think it would be wonderful if we could prepare at least **15 bags**. I will provide the bags and ask that each family do what you can to help us. I am including a list of possible items to donate. If you don't want to shop than a monetary donation could be used to purchase these things.

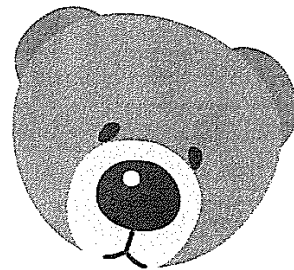

This program begins today and will end on January 29. Collection boxes will be placed outside our class door.

Thank you for your anticipated support of this mission project.

Prayerfully,
Mrs. Hartogh
