Art

Grades K-8

On Wednesday, December 2 students will be making a Christmas craft.

Kindergarten thru 4th grades will be decouping shaker containers. They will need a container to use for this craft. An empty Parmesan cheese container with top is best for this however if you do not have an empty cheese container any clear container with shaker holes will work. Please have your child bring an empty cheese containers with the lid to school between now and December 2.

5th grades thru 8th grades have a choice of decouping the shaker container, a tree ornament or a gift box. They will need a Parmesan cheese container with lid for the shaker container. They will need a clear Christmas tree ornament if this is what they are making. They can either make a gift box or cover a ready made box. The materials will be supplied if they wish to make their box. Please have your child bring an empty cheese container with lid or a clear ornament or a blank ready made gift box to school between now December 2. If they are making the gift box they will not need to bring anything to school. The tissue paper and mod-podge will be supplied for all students.

“Let them praise his name with dancing and make music to him with
timbrel and harp.”
Psalm 149:3

Join Grace Coleman for a free ballet class!
Ballet is an excellent way to learn grace, elegance, and have fun!
