Art  
Grades K-8

On Wednesday, December 2 students will be making a  
Christmas craft.

Kindergarten thru 4th grades will be decouping shaker containers. They  
will need a container to use for this craft. An empty Parmesan cheese con-  
tainer with top is best for this however if you do not have an empty cheese  
container any clear container with shaker holes will work. Please have your  
child bring an empty cheese containers with the lid to school between now  
and December 2.

5th grades thru 8th grades have a choice of decouping the shaker contain-  
er, a tree ornament or a gift box. They will need a Parmesan cheese contain-  
er with lid for the shaker container. They will need a clear Christmas tree  
ornament if this is what they are making. They can either make a gift box or  
cover a ready made box. The materials will be supplied if they wish to  
make their box. Please have your child bring an empty cheese container  
with lid or a clear ornament or a blank ready made gift box to school be-  
tween now December 2. If they are making the gift box they will not need  
to bring anything to school. The tissue paper and mod-podge will be sup-  
plied for all students.

Chimes and Choir for Christmas Eve Children's Mass  
Directed by: Mrs. Donna Kerstiens & Mrs. Becky White

Any student grades 3-8 interested in playing chimes and singing and are planning to attend the Children's Mass on Christmas Eve, December 24, please fill out the bottom portion of this form and return to the school office by Monday, November 30, 2015. Practices will begin Tuesday, December 1, 2015 during school hours. **After Nov. 24, there will be no more available spots for chimes! Due to the limited number of practice days and instruments, we will need a definite commitment to attending the Children's Mass if your child practices with the chime choir.** We will also practice with the Children's Choir. Choir practice will begin Sunday, November 22, 2015 at 6:30 p.m. in the church loft.
